

# CHERRY HILL EAST ICE HOCKEY CLUB

Dear Parent:

Another exciting hockey season is rapidly approaching. To ensure that your child doesn't miss out on the action, please be sure to register them for the 2023-2024 season. This year we anticipate having a varsity team, at least 1 junior varsity team, and at least 1 middle school team, maybe 2. The actual number of teams is determined by how many players sign up. The cost for the season is \$1150 plus uniform costs. You can refer to the Fee Schedule on our web site for the detailed information.

As in past years we anticipate having a high number of players for the upcoming season and have a good chance we will reach the capacity for the number of players. We need all players to register by July 30th so we will be able to indicate to the leagues how many teams we will field and what level of play we will be playing in and so we are placed in the proper competitive divisions. Registering on time also will allow for ample time to get any new uniforms ordered so we can have them in time for the first games of the season.

To streamline the sign-up process, we have made all forms available on-line at [www.cheicehockey.com](http://www.cheicehockey.com) under the **FORMS & REGISTRATION** section. Please visit our website to download and complete the latest versions of the following forms:

- USA Hockey Consent to Treat
- Code of Conduct
- Player Registration form
- Player/Parent Contract
- Fee Schedule and Refund Policy

***\*\*In addition, all High School players must submit a copy of their official school schedules before they are eligible to play in league games. School schedules will need to be turned in by the first practice.***

Once completed, the forms along with your initial payment of \$400 (along with uniform fee if needed) can be mailed to:

**CHE Ice Hockey  
1760 Dewberry Lane  
Cherry Hill, NJ 08003**

We also accept VENMO for payments to @cherryhilleast-icehockey

The club will do it's best to provide the new players with their requested numbers. The club will provide a number when the club cannot fulfill the player's requested numbers. Please check the website, [www.cheicehockey.com](http://www.cheicehockey.com), often for all the information for the upcoming season. We are looking forward to another successful year and we thank you for your involvement in the Cherry Hill East Ice Hockey program.

Players attending schools in the following school districts are eligible to play for Cherry Hill East Ice Hockey: Cherry Hill, Barrington, Collingswood, Haddonfield, Haddon Heights, Haddon Township, Oaklyn, and Audubon.
